BETTER LIVING. [ADVISACARE.COM](https://www.advisacare.com)

# Better Living.

AdvisaCare always provides individualized custom care designed to ensure our clients achieve their healthcare goals.

## 1 STEP ONE: Assessment

Assessment and comprehensive evaluation.

## 2 STEP TWO: Care Plan

Individualized Plan of Care is developed to meet all needs and improve quality of life.

## 3 STEP THREE: CareGiver Orientation(s)

Selection and training of caregivers to assure skills and personality match the needs of the client.

## 4 STEP FOUR: Ongoing Monitoring

Ongoing supervision and monitoring of the Care Plan and caregivers to adjust and update as needed.

AdvisaCare has expanded our services to better meet the physical, emotional and environmental needs of all our clients.
